REACH Officers: The role of REACH officers is to maintain structure and organization and are assigned tasks as follows:

- **Coordinator** presides over monthly meetings and acts as liaison between outside organizations and the group (e.g., The Education Alliance, HSLDA, etc.) The coordinator will hold officers meetings as necessary and specifically, an officer meeting in July and again in the spring to plan for the next school year.
- **Membership Coordinator** acts as main contact person for new and potential members. Assigns all members to a committee and oversees committee heads as needed. Attends officers meetings.
- **Activities Coordinator** maintains the master calendar/schedule of REACH events. Coordinates with newsletter committee head before each monthly newsletter is released. Attends officers meetings.
- **Secretary** takes minutes at meetings. Issues press releases and helps to maintain a positive image for REACH within the community. Attends officers meetings.
- **Treasurer** manages the bank account and financial responsibilities. Presents a financial record of the prior year's activities in July and prepares a current year budget to be approved by the officers no later than August 31. Attends officers meetings.

Nominations for the Coordinator are taken at the March meeting. Election is held at the May meeting by a majority vote by REACH members (one vote per family). If only one person accepts the nomination, a confidence vote is required with 70% affirmative responses. Other officers will serve a minimum two-year term. If any officer will not serve past June 30, a new officer for that position will be approved in May by a majority vote of the current officers. All new officers take their position on July 1. Any officer may be removed from office for just cause in accordance with REACH Officer Removal Guidelines and Procedures.

Committee Heads: Committee positions are filled on a first-come, first-served basis by submitting the REACH Membership Agreement. Positions open each May for the following year. New committees can be added with officer approval and someone to fill the committee head position. Duties for each committee are presented by the membership coordinator upon a person accepting the role of committee head.

REACH Meetings: Because REACH believes the meetings are an important source of information and encouragement for each member. The date is announced in the newsletter. Childcare is provided with no charge as allowed by current funds. If funds fall low, a minimal fee will be asked from each parent for their child(ren).

REACH REACH MEMBERSHIP AGREEMENT

(Keep this document for your records) www.rsvlreach.com

I UNDERSTAND THAT FAMILIES WHO SIGN THE REACH MEMBERSHIP AGREEMENT are considered REACH members and have full responsibilities and privileges. In order to have an effective association that meets the needs of the children, all members have an important role and are valuable to the group. **I have read and agree with the Mission Statement, Privileges and Responsibilities of REACH.** I agree to attend as many meetings as possible; to serve on at least one, but not more than two committees each year, and consider heading at least one committee every 4 years; and to have my family participate in at least two REACH sponsored activities each year.

FURTHERMORE, I AGREE TO ABIDE BY ALL STATE LAWS CONCERNING EDUCATION IN THE HOME:

Traditional Homeschool Families: I will file an INTENT TO HOMESCHOOL with my home district superintendent. I will TEST my children according to state law. REACH provides this service under the state.

Arkansas Virtual School Families: I will comply with the rules set forth by the AVS. If there is a potential conflict regarding participation in REACH and AVS functions (e.g., competitions that lead to students representing a specific school or group), it is my responsibility to gain information from the AVS or any other organization involved to decide in which function my child(ren) should participate.

DIRECTORY: I understand that REACH members may choose to be listed in the Directory, which includes pertinent information about members' families. This information is a networking tool for disseminating information regarding homeschooling activities and legislative concerns. It is also a database for members to consult for support with questions concerning curriculum and teaching styles. **I agree not to share the directory with anyone who is not a REACH member.**

CODE OF CONDUCT – MEETINGS AND ACTIVITIES: Recognizing that we are a reflection of our Lord Jesus Christ, and all home educators, my family and I agree to present ourselves in a Godly fashion. (Romans 12, 14:21). I understand that all children participating in REACH activities are to present themselves in a manner respectful of those placed in authority and of their fellow students. We should also be respectful of those hosting activities and be appropriately courteous and thankful. Conducting ourselves in this manner will be a reflection of our faith, edify others in Christ, and maintain the good reputation of REACH to those with whom we come in contact. I understand that if my child is being disruptive or disobedient at any REACH function, I am responsible for taking care of the situation with my child. Should continual disruptive discipline problems arise which are not taken care of by the parent, the REACH officers reserve the right to not allow the child to attend future activities until the problem has been resolved. Activities are for REACH members only (exceptions granted by officers) and each child must be supervised by a parent, or one who has been given authority to act on the parent's behalf, at each activity.

STATEMENT OF FAITH: (Only Officers sign this Statement of Faith. It is included for information only.)

We, the leaders of REACH, believe:

1. The Bible is the inspired and infallible Word of God and constitutes completed and final revelation. The Bible, in its original autograph, is without error in whole and in part, including theological concepts as well as geographical and historical detail.
2. God has existed from all eternity in three persons: God the Father, God the Son, and God the Holy Spirit. Jesus Christ was God in human flesh, being fully God and fully man, except without sin.
3. All men are in violation of God's righteous requirements and His holy character both by nature and act, and are therefore under His wrath and just condemnation. The central purpose of the coming of Jesus Christ was to pay the penalty for man's sin through His substitutionary death on the cross – the successful accomplishment of which was attested to by His subsequent visible, bodily resurrection.
4. Salvation is offered as a gift, free to the sinner. This gift must be responded to in individual faith, not trusting in any personal works whatsoever, but in the sacrificial death of Jesus Christ alone.

The doctrines in this statement are basic and essential. Recognizing that every believer is a member of the body of Christ, we are responsible to keep "the unity of the Spirit in the bond of peace" and to "love one another with a pure heart fervently." As an officer in REACH, I agree with the above Statement of Faith and will support REACH in a manner consistent with it. *This Doctrinal Statement is taken from The Teaching Home, a Christian magazine for homeschoolers.
